

## **Request for Qualification (RFQ) for empanelment of SCADA/DMS Consultant (SDC)**

As a part of Reforms measures in the Power Sector, Ministry of Power, Govt. of India has launched the Restructured Accelerated Power Development and Reforms Programme (R-APDRP) in the XI Five year Plan. The highlights of this Programme are as follows:

- Focus on actual and demonstrable performance by utilities in terms of sustained loss reduction in project areas up to 15%.
- Huge fillip to IT sector for establishment of baseline data, IT applications for energy accounting, IT based Customer Care Centers and SCADA/DMS under Part A.
- System up-gradation projects in Distribution under Part -B.
- Entire funding for Part –A & half of the funding for Part-B convertible into grant.
- Scheme also envisages capacity building of distribution sector personnel.

Power Finance Corporation Limited (PFC), the Nodal Agency, designated by Ministry of Power, Government of India is operationalising the programme.

PFC has already empanelled various IT Consultants (ITC) & IT Implementation Agencies (ITIA) to facilitate their appointment by utilities. So far, 29 State Utilities have appointed ITCs for implementation of Part A of R-APDRP.

Government of India has, so far, approved projects for 1021 towns in 15 States covering 34 State Power Distribution Utilities with sanction amount of Rs.3561Crore for creation of IT infrastructure, for which sanction has been conveyed by PFC. So far, Rs 584 Crore has been released to utilities through PFC.

A web portal has been created for sharing, dissemination of information and monitoring of R-APDRP. Details of R-APDRP scheme are available at web site [www.apdrp.gov.in](http://www.apdrp.gov.in).

PFC intends to empanel SCADA/DMS Consultant (SDC) to assist utilities for formulation & implementation of SCADA/DMS schemes in the eligible project areas as per R-APDRP guidelines, for which RfQ is invited from eligible bidders as follows: .
