**INDEPENDENT AUDITOR'S REPORT**

To the Members of SAKHIGOPAL INTEGRATED POWER COMPANY LIMITED

Report on the Audit of the Standalone Financial Statements

**Opinion**

We have audited the standalone financial statements of SAKHIGOPAL INTEGRATED POWER COMPANY LIMITED ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March, 2024, the statement of Profit and Loss (Including Other Comprehensive Income), statement of changes in equity, and the statement of cash flows for the period then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard prescribed under section 133 of the Act read with companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2024, its profit and total comprehensive Profit, changes in equity and its cash flows for the period ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Material Uncertainty related to going- concern**

We draw attention to the following matters in the Notes to the Standalone Financial Statements:

- (i) Note 1 in the Standalone Financial Statements which indicates that basis of advisory and directions of Ministry of Power (MoP), Govt. of India (Goi) with regard to closure of the UMPPS in line with the country's energy transition from fossil fuel to non-fossil fuel, vide its Office Memorandum dated 02.06.2023, PFC Consulting Limited, fellow subsidiary of the Company entrusted with the relevant task within the Group of the Company, has considered to initiate the process of liquidation / closure/striking off the Company in accordance with the relevant provisions of Section 248-252 of the Companies Act, 2013 and the Rules promulgated thereunder after obtaining necessary approvals from Power Finance Corporation Limited (PFC), the holding company, MoP, GoI, and that considering such circumstances, the financial statements of the Company have not been prepared on going concern basis. Accordingly, assets and liabilities are recorded on the basis that the entity will be able to realise its assets and discharge its liabilities in the normal course of business and all such assets and liabilities are considered as current.

Our opinion is not modified in respect of aforesaid matters

## Emphasis of Matter

We draw attention to the following matters in the Notes to the Standalone Financial Statements:

1. Note 20 in the Standalone financial statement which inter alia indicates that pursuant to the intention of the management and other stakeholders to close/liquidate the Company, and the fact that the financial statements are not being prepared on going concern basis, the expenditure incurred for the project which was shown as Capital work in progress (net of reversal of interest on utilised portion) has already been adjusted against all procurers accounts in proportion to their allocated share of power in the project.

Further, other expenditure incurred during the year (Refer Note 15), has also been adjusted against procurers accounts. In consequent to the adjustments as specified supra, the net procurers' balances (Including interest payable on unutilized portion) being in surplus and to be refunded to the respective utilities, have been shown in the Balance Sheet under "Other current financial liabilities", and the net procurers' balances, who have not paid their share in commitment advance and having debit balance after aforementioned adjustments, are disclosed as amount recoverable from such procurers and have been shown in the Balance Sheet under "Other current financial assets".

Our opinion is not modified in respect of aforesaid matters

## Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(f) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial statements, including the disclosures, and whether the standalone Financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Financial statements of the current

period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure-"A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid standalone Financial statements have been kept so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, statement of changes in equity and the statement of Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the standalone Financial statements.
  - d) In our opinion the aforesaid standalone Financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e) Being a Government Company, pursuant to the Notification No. GSR 463(E) dated 05.06.2015 issued by Ministry of Corporate Affairs, Government of India, provisions of sub-section (2) of Section 164 of the Act, are not applicable.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company doesn't have any pending litigations which would impact its financial position.
    - ii. The Company did not have any material foreseeable losses on long-term contracts including derivative contracts.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.
    - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. No dividend has been declared or paid by the company during the year, as such compliance with section 123 of the Companies Act, 2013 is not applicable to the company.
- vi. Based on our examination which included test checks, the Company, has used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility for all relevant transactions recorded in the software and the same has been operated throughout the year. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with, once it has been enabled. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

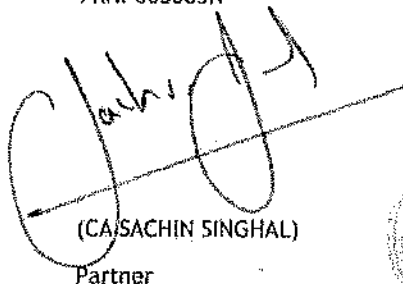

- h) Being a Government Company, pursuant to notification no. G.S.R. 463(E) dated 05.06.2015 issued by the Government of India, provisions of Section 197 of the Act, regarding managerial remuneration are not applicable to the company.

3. A report on the matters as per the directions/sub-directions issued by C&AG u/s 143(5) of the Companies Act, 2013 is attached as "Annexure - C & D".

The company has not made any other investments, provided any security or guarantee.
  - (b) That with regard to loan made as aforesaid, in our opinion the conditions of such loan prima facie do not appear to be prejudicial to the interest of the company.
  - (c) That the loan does not carry any stipulated repayment of terms & are repayable on demand.
  - (d) That the loan does not carry any stipulated repayment of terms & are repayable on demand and hence clause (iii)(d) is not applicable.
  - (e) That the loan does not carry any stipulated repayment of terms & are repayable on demand and hence clause (iii)(e) is not applicable.
  - (f) That the company has granted loans that do not carry any stipulated repayment terms and are repayable on demand to its holding company, the balance outstanding of the same as on 31 March 2024 is INR 22,30,198.68 (Amount in '00) being 100% of such loan.
- (iv) In our opinion and according to the information and explanations given to us, the company has not given any loans, investments, guarantees and security which may be covered under section 185 of the Act. Further being engaged in the Business of generation of Electricity and Power, the Provisions of Section 186 of the Companies Act 2013 are not applicable to the company.

- (v) Based on our scrutiny of the company's records and according to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and as explained, the Company is not in the business of sale of any goods/services, therefore, in our opinion, the provisions of clause 3(vi) in respect of maintenance of cost records of the Order are not applicable to the Company.
- (vii) The Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, service tax, value added tax, goods and service tax, cess and other statutory dues applicable to it. The provisions relating to sales-tax, duty of custom and duty of excise are not applicable to the Company.
- (a) According to the information and explanations given to us, there are no dues of provident fund, employees' state insurance, income tax, service tax, value added tax, goods and service tax, cess and other material statutory dues were in arrears as 31 March, 2024 for a period of more than six months from the date they became payable.
- (b) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of dues to any bank. The Company did not have any outstanding loans or borrowing dues in respect of a financial institution or to government or dues to debenture holders during the year.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) According to the information and explanations given to us, the company has not taken any loan from any financial institution or bank or debenture holder. Hence, clause (ix) of paragraph 3 of the Order is not applicable.
- (x) According to the information and explanations given by the management, the Company has not raised any money by way of initial public offer / further public offer/ debt instruments and term loans hence, reporting under clause (x) is not applicable to the Company and hence not commented upon.
- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the company or on the company by its officers and employees of the Company has been noticed or reported during the year.
- (b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As auditors, we did not receive any whistle blower complaint during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

- (xiv) The company is not covered by section 138 of the Companies Act, 2013, related to appointment of internal auditor of the company, therefore, the company is not required to appoint any internal auditor, and thus, the provisions of Clause (xiv) of paragraph 3 of the order are not applicable to the Company.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013
- (xvi) As per Section 45-1 of the Reserve bank of India Act, 1934 read with RBI/2006-07/158 DNBS (PD) C.C. No. 81/03.05.002/2006-07 dated October 19, 2006; a Company whose 50% of total assets and 50% of total income is from financial activity, as at the latest audited Balance Sheet, is said to carry on financial activity as its principal business and hence is required to obtain registration as a Non-Banking Finance Company (NBFC). However, based on the facts and circumstances of the operations of the Company and the fact that the memorandum of association of the Company does not include financing activity as its principal business activity, the Company has represented to us that the registration as an NBFC is not required.
- (xvii) The company has not incurred cash loss in current financial year as well in immediately preceding financial year.
- (xviii) There has been no resignation of the previous statutory auditors during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) There is no liability of the company under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility, therefore, the provisions of Clause (xx) of paragraph 3 of the order are not applicable to the Company.
- (xxi) The Company is not required to prepare the Consolidated Financial Statement hence this clause is not applicable to the company.

TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF SAKHIGOPAL INTEGRATED POWER COMPANY LIMITED  
(Referred to in paragraph 2 under the heading "Report on other legal and regulatory requirements" of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of SAKHIGOPAL INTEGRATED POWER COMPANY LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my/our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

## INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

In our opinion and to the best of our information and according to the explanations given to us, the company has adequate control system to verify the correctness of the entries posted in the IT system.
1.	Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In case, lender is a Government company, then this direction is also applicable for statutory auditor of lender company).	There are no such cases of waiver/write off of debts/loans/interest etc., hence this clause is not applicable.
2.	Whether funds (grants/subsidy etc.) received/ receivable for specific schemes from Central/ State Government or its agencies were properly accounted for/utilized as per its term and conditions? List the cases of deviation.	There are no such funds (grants/subsidy etc.) received/ receivable for specific schemes from Central/ State Government or its agencies; hence this clause is not applicable.

Based on the above facts, in our opinion and to the best of our information and according to the explanations given to us, no action is required to be taken thereon and there is no impact on the accounts and financial statements of the company.

Notes to the Financial Statements for the year ended March 31, 2024

**1 Corporate Information**

Sakhigopal Integrated Power Company Limited ("the Company") is a wholly owned subsidiary of Power Finance Corporation Limited (PFC), a Govt. of India Undertaking and was incorporated on May 21, 2008 under the Companies Act, 1956. Certificate for Commencement of Business was issued on April 17, 2009. The registered office of the Company is located at First floor, Urjanidhi, 1, Barakhamba Lane, Connaught Place, New Delhi -110001. The Company is a special purpose vehicle incorporated to facilitate the acquisition of land and complete preliminary work regarding statutory clearances including that of environment, forest etc. for the purpose of establishing Ultra Mega Power Project of 4000 MW in the state of Odisha (Project).

Ministry of Power (MoP), Govt. of India (GoI) vide letter dated 12.11.2021 has conveyed its decision to defer any action on the formulation of UMPPs bidding framework as of now, as the country is making energy transition from fossil fuel to non-fossil fuel. Further the MoP advised to review status of all the UMPPs and take necessary correction for closure etc. in consultation with stakeholders. Various communications has been made with stakeholders in this regard since the project is already delayed.

Subsequently, MoP vide OM dated 02.06.2023 has given its consent for closure of UMPP and has directed PFCCIL to initiate further necessary action as per Standard Operating Procedure (SOP) formulated by MoP for closure of UMPP. Further MoP in its quarterly performance review meeting (QPRM) dated 23.09.2022 (para 10) has decided that all the expenditure incurred on UMPP(s) is to be recovered from the procurers and amount recoverable from a procurer may be adjusted from surplus in any other UMPP(s). Therefore the financial statements have not been prepared on going concern basis. The company will be closed/struck off as per provisions of section 248-252 of the Companies Act, 2013 and relevant rules after obtaining necessary approvals from PFC/MoP etc.

**2 General**

**(a) Basis of Preparation and Statement of Compliance**

These financial statements have been prepared on historical cost and accrual basis of accounting and are in compliance with the Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and applicable provisions of the Companies Act, 2013. However in view of closure of project, the financial statements have not been prepared on going concern basis.

The Company's financial statements are presented in Indian Rupees (INR), which is its functional currency.

Amounts in these financial statements have been rounded off to nearest hundreds upto two decimal points (unless otherwise indicated).

**(b) Use of Estimates**

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of revenue, expense, assets and liabilities and disclosures relating to contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the period in which the estimate is revised and in any future period affected.

**3 Material Accounting Policy Information**

**(a) Recognition of Income/ Expenditure**

Income and expenses are accounted for on accrual basis.

**(b) Borrowing Cost**

Borrowing Costs that are attributable to the acquisition, construction of fixed assets which take substantial time to get ready for its intended use are capitalized as part of the cost of such assets to the extent they relate to the period till such assets are ready to be put to use. Other borrowing costs are charged to Statement of Profit and Loss in the year in which they are incurred.

**(c) Capital work-in-progress**

Expenditure incurred during construction period on Survey/ Studies/ Investigation/ Consultancy/ Administration/ Depreciation/Interest etc and other expenditures during construction period is capitalised and treated as Capital-work-in-progress.

**(d) Prior Period Expenses**

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

**(e) Cash and cash equivalents**

Cash comprises cash on hand and demand deposits. The Company considers cash equivalents as all short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**(f) Cash Flow Statement**

Cash flow Statement is prepared in accordance with the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated.

**(g) Taxation**

Income Tax expense comprises of current and deferred tax. It is recognised in Statement of Profit and Loss, except when it relates to an item that is recognised in OCI or directly in equity, in which case, tax is also recognised in OCI or directly in equity.

Current tax is the expected tax payable on taxable income for the year, using tax rates enacted or substantively enacted and as applicable at the reporting date, and any adjustments to tax payable in respect of Previous Years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income. Deferred tax is measured at the tax rates based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

A deferred tax asset is recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The carrying amount of deferred tax assets is reviewed at the end of each financial year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all parts of the asset to be recovered.

**(h) Provisions, contingent liabilities and contingent assets**

- i. Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, if it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.
- ii. Where it is not probable that an outflow of economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as contingent liability in notes to accounts, unless the probability of outflow of economic benefits is remote.
- iii. Contingent Assets are not recognised in the financial statements but are disclosed, where an inflow of economic benefit is probable.
- iv. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

**(i) Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments.

On initial recognition, financial assets and financial liabilities are recognised at fair value plus/ minus transaction cost that are attributable to the acquisition or issue of financial assets and financial liabilities. In case of financial assets and financial liabilities which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in Statement of Profit and Loss.

**1.1. Financial assets**

All regular way purchases or sales of financial assets are recognised and derecognised on a settlement date basis.

After initial recognition, financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**i) Classification and Measurement of Financial assets (other than Equity Instruments)**

**a) Financial assets at Amortised Cost:**

Financial assets that meet the following conditions are subsequently measured at amortised cost using Effective Interest Rate method (EIR):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

**b) Financial assets at Fair Value through Other Comprehensive Income (FVTOCI)**

A financial asset is measured at FVTOCI if both the following conditions are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial asset; and
- the contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

**c) Financial assets at fair value through profit or loss (FVTPL)**

A financial asset is measured at FVTPL unless it is measured at amortised cost or FVTOCI, with all changes in fair value recognised in Statement of Profit and Loss.

**ii) Impairment of financial assets**

a) Subsequent to initial recognition, the Company recognises expected credit loss (ECL) on financial assets measured at amortised cost. ECL on such financial assets, other than loan assets, is measured at an amount equal to life time expected losses.

The impairment requirements for the recognition and measurement of ECL are equally applied to Loan asset at FVTOCI except that ECL is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

b) Impairment of Loan Assets and commitments under Letter of Comfort (LoC):

The Company measures ECL on loan assets at an amount equal to the lifetime ECL if there is credit impairment or there has been significant increase in credit risk (SICR) since initial recognition. If there is no SICR as compared to initial recognition, the Company measures ECL at an amount equal to 12-month ECL. When making the assessment of whether there has been a SICR since initial recognition, the Company considers reasonable and supportable information, that is available without undue cost or effort. If the Company measured loss allowance as lifetime ECL in the previous period, but determines in a subsequent period that there has been no SICR since initial recognition due to improvement in credit quality, the Company again measures the loss allowance based on 12-month ECL. ECL is measured on individual basis for credit impaired loan assets, and on other loan assets it is generally measured on collective basis using homogenous groups.

c) The impairment losses and reversals are recognised in Statement of Profit and Loss.

ii) De-recognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity, is recognised in Statement of Profit and Loss if such gain or loss would have otherwise been recognised in Statement of Profit and Loss on disposal of that financial asset.

1.2 Financial liabilities

i) All financial liabilities other than derivatives and financial guarantee contracts are subsequently measured at amortised cost using the effective interest rate (EIR) method.

EIR is determined at the initial recognition of the financial liability. EIR is subsequently updated for financial liabilities having floating interest rate, at the respective reset date, in accordance with the terms of the respective contract.

ii) De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.

(j) Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Notes forming part of the financial statements for the year ended March 31, 2024

**18. Financial Instruments**

**(1) Capital management**

The company manages its capital to ensure that it will be able to meet capital requirements. Company funds its operations through amount received as contribution advance.

The company is not subject to any externally imposed capital requirements.

The Company's board reviews the capital structure on need basis. The funding requirements are met through a mixture of borrowings and advances. The Company's policy is to use short term and long-term borrowings to meet anticipated funding requirements.

**(i) Categories of financial instruments**

Particulars	(₹ in Hundreds)	
	As at March 31, 2024	As at March 31, 2023

<b>Financial liabilities</b>		
Other financial liabilities	24,72,971.80	24,10,973.30

**(ii) Financial risk management objectives**

The Company's corporate treasury function monitors and manages the financial risks relating to the operations of the Company by analyzing exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest risk and other price risk), credit risk and liquidity risk.

**(iii) Market Risk**

The Company's activities expose it primarily to the financial risks of changes in interest rates.

Market risk exposures are measured using sensitivity analysis.

There has been no change to the Company's exposure to market risks or the manner in which these risks are being managed and measured.

**(iv) Interest rate risk management**

The Company is exposed to interest rate risk because it borrow funds at the rate of interest under category of " State Sector Borrowers (Category 'A') as determined from time to time (fluctuating rate of interest) .

The Company's exposures to interest rates on financial assets and financial liabilities are detailed in the liquidity risk management section of this note.

**(v) Interest rate sensitivity analysis**

The sensitivity analyses below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Sensitivity analysis for a 50 basis points fluctuation in interest and all other variables were held constant is explained below:

Particulars	(₹ in Hundreds)	
	Year ended March 31, 2024	Year ended March 31, 2023
Impact for Profit or Loss	-	-
Impact for Other comprehensive income	-	-

The Company's sensitivity to interest rates has decreased during the current year mainly due to the reduction in variable rate debt instruments and the increase in interest rate swaps to swap floating rate debt to fixed rate debt.

**(vi) Other price risks**

The company is not exposed to price risk as it does not hold any investments.

**(vii) Credit risk management**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

The Company has limited exposure to credit risk owing to the balance of loan receivable from PFC as mentioned in Note G. Company does not have trade receivable. Further the loan receivable is from its Holding company (PFC).

Company's bank balances are held with a reputed and creditworthy banking institution resulting to limited credit risk from the counterparties.

**(viii) Liquidity risk management**

The Company manages liquidity risk by maintaining adequate reserves and continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Notes forming part of the financial statements for the year ended March 31, 2024

20 As disclosed in note 1, MoP vide OM dated 02.06.2023 has given its consent for closure of UMPP and has directed PFCCCL for closure of Oulsha 2nd Additional UMPP and therefore the financial statements are not prepared on going concern basis. Accordingly, assets and liabilities are recorded on the basis that the entity will be able to realise its assets and discharge its liabilities in the normal course of business and all such assets and liabilities are considered as current. Further as per MoP decision in QPRM dated 23.09.2022, all the expenditure incurred on UMPP(s) is to be recovered from the procurers and amount recoverable from a procurer may be adjusted from surplus in any other UMPP(s). Accordingly from previous financial year 2022-23 the financial statements are not prepared on going concern basis. The expenditure incurred for the project which was shown as Capital work in progress (net of reversal of interest on utilised portion) has been adjusted against all procurers accounts in proportion to their allocated share of power in the project. Further other expenditure incurred during the year (Note 15) which were previously capitalised in Capital work in progress, has also been adjusted against procurers accounts. After above adjustments, net procurers balances (including interest payable on unutilised portion) being in surplus is to be refunded to the respective utilities has been shown in the Balance Sheet under Other current financial liabilities. Further procurers who have not paid their share in commitment advance and therefore having debit balance after above adjustment, such debit balance is to be recovered from such procurers and has been shown in the Balance Sheet under Other current financial assets.

21 Pursuant to decision of Ministry of Power, Government of India, the Company had received, Commitment Advance of Rs. 16,34,000/- (Hundreds) (Previous Year Rs. 16,34,000/- Hundreds) from the Power Procuring Utilities (Procurers), as their contribution against allotment of specified quota of power to be made on completion of the project by way of a Power Purchase Agreement with respective Procurers and successful bidder.

The company had been providing for Interest payable to Procurers on commitment advance, bifurcating into fund utilized for the project and funds unutilized, at rates as per the policy of the Holding Company/Company. Interest on unutilized portion of commitment advance is receivable from PFC Ltd, and the same is payable to procurers on back to back basis. Interest on utilized portion of commitment advance was recoverable from selected bidder and same was payable to procurers on back to back basis, which was being provided on accrual basis upto FY 2018-19, after which it was decided by the Company that from FY 2019-20 and onwards, interest on utilised portion of commitment advance will not be provided and it will be reviewed at the time of transfer of company to successful bidder and if deemed appropriate, the same will be calculated and recovered from the bidder forthwith. The rate of interest charged / paid on the utilized amount of funds is as per PFC Ltd i.e. rate of interest for the Project Loan/Schemes (Generation) for Borrowers under category "State Sector Borrowers (Category 'A') as determined from time to time as per their circular and on unutilized portion of funds, the interest received/paid is on "monthly average short term deposit rate of PFC Ltd".

In view of proposed closure of project, the interest payable on utilised portion of commitment advance is no longer recoverable from the selected bidder and therefore the same has been reversed during the previous financial year 2022-23 against CWIP.

22 The expenses appearing in Note-15 are mainly allocated by PFCL/PFCCCL to the company. Direct expenditures related to SPV are allocated on 100% basis and common expenditure are allocated based on sharing of services amongst various SPVs on the basis as decided by PFC/PFCCCL. Original Supporting bills in respect of such expenditure incurred by the PFCL/PFCCCL are in the name of PFCL/PFCCCL and retained by them of which copies are available with the Company. PFCL/PFCCCL is complying with all statutory provisions relating to the 'Deduction of tax at source and Goods and Service tax etc. as applicable to these expenses.
