### **CITIZEN'S CHARTER**

#### **1.0 CORPORATE MISSION**

To excel as a pivotal developmental financial institution in the power sector committed to the integrated development of the power and associated sectors by channeling the resources and providing financial, technological and managerial services for ensuring the development of economic, reliable and efficient systems and institutions.

#### **2.0 CORPORATE VISION**

To be the leading institutional partner for the power and allied infrastructure sectors in India and overseas across the value chain.

#### **3.0 SERVICES OFFERED BY THE CORPORATION**

- **Financial Services:**

- Term Loans-It covers financial assistance to power projects including Thermal and Hydro generation projects, survey and investigation of power projects, system improvement and energy conservation schemes, renovation and modernization of power plants etc. The maturity and moratorium of term loans will primarily depend on the type of scheme put up by a utility. The extent of financing ranges from 70% to 100% of project cost to Central/State Sector utilities and 20% to 50% to private sector companies.
- Lease Financing-Under schemes for financial leasing of power equipment, any equipment or machinery essential for power projects and associated works is covered. The extent of financing is 100% of the cost of equipment. The period of lease ranges from 3 to 10 years.
- Direct Discounting of Bills-The credit is available to all equipment manufacturers to enable them to sell their equipment on deferred payment terms to the purchasers of power sector. Under the scheme, the delivery of equipment or machinery is made by the seller to the purchaser against bills duly accepted/guaranteed by purchaser's banker. Duly executed bills are discounted by the seller with PFC so that the seller gets immediate payment while the purchaser gets the facility of deferred payment terms. The extent of financing is 100% of the bill submitted.
- Guarantee Services-As the fund requirements for the power sector are enormous and many funding agencies insist on guarantee by an Indian Financial Institution (FI), PFC has started providing guarantee services subject to its satisfaction about the borrowers credibility. The extent of financing under this scheme is 15% over and above the sanctioned limit of terms loan.

- Loan Syndication- For effective arrangement of funds and appraisal, PFC has started considering loan syndication with other leading Financial Institutions (FIs), like M/s IFCI, ICICI etc. The extent of financing is same as of term loan.
- Short Term Loan– PFC opened up a new window for Short Term loan with a view to broad base its loan portfolio for improved client servicing and to assist state utilities who otherwise depended on high cost Short Term Loan from Commercial Banks. At present the extent of financing is up to Rs. 300 Crore and the minimum period of short term will be 30 days and maximum period will be 360 days.

**Procedure for availing the above services-** The borrower will submit requests for services in the format prescribed for the purpose by PFC and is available on PFC web site: [www.pfcindia.com](http://www.pfcindia.com). However application forms for availing loan facility for other than projects loan like short-term loan, Corporate Loans, etc. are available with Structured Product Group whose address are mentioned in public interface list attached with this charter at annexure 'A'.

- **INSTITUTIONAL DEVELOPMENT SERVICES**

- Acting as an instrument for ushering in reforms in the state utilities both financial services- PFC has been providing support to help power utilities improve their technical, financial and managerial skills to make this vital sector of economy efficient, self sustaining and to adapt it to the dynamic changes taking place. This includes support for engagement of consultant etc. to facilitate the process of reforms/restructuring of the utilities, holding workshops on critical issue; to support expeditious implementation of the Private Power Development Initiative of Govt through development of model documents like Power Purchase Agreement (PPAs), Distribution Privatization agreements etc.
- Utility Development Plans - In order to ensure that benefits arising from the lending operations endure, PFC has been addressing to the problem of unsatisfactory performance of the State Power Utilities through methodical formulation and implementation of Operational and Financial Action Plan (OFAP). OFAP document based on diagnostic study encompasses in different areas of functioning of the power utilities. It is prepared in consultation and agreement with the utility and the State Government concerned. The thrust on OFAP and its linkages with the PFC assistance has brought about quantitative as well as qualitative changes in the performance of the utilities.
- Financial Assistance for Power Sector Studies-In line with its development role, Power Finance corporation (PFC) provides technical and financial assistance by strategically providing grants, interest free and/or concessional loans to carry out the following studies:
  - a) Reform & restructuring related studies.
  - b) Pre-investment studies for project preparation formulation and supervision implementation etc.
  - c) Studies for accessing the load Growth, Demand Pattern etc.
  - d) Systems improvement in transmission and distribution and Demand side Management.
  - e) Renovation & Modernization/ Renovation & Upgrading/Residual life Assessment studies for refurbishment of power plants.

f) Institutional development related studies.

- Reforms & Restructuring of SEBs - PFC has been actively persuading State Govt. to reforms and restructuring of their power sector in order to make them commercially viable. PFC is therefore following the policy for providing technical and financial support to states initiating reforms & restructuring in their power wherein a comprehensive financial package is offered. In case of state going in for reforms with PFCs technical and financial assistance, this package can be as high as 80% of their total investment needs. This will be linked to having a reform Operational & Financial Action Plan (OFAP) with milestones and investment plans.

**Procedure for availing the above services related to Institutional Development** – The beneficiaries will submit requests for services in the format prescribed for this purpose by PFC. Request for availing grant/soft loan will indicate the following in their application :-
